# Sojourn '05 Yearbook

o one realizes how much work actually oes into the production of the yearbook, ut these students work hard everyday fter school, on weekends, and deadline deadline to make the yearbook great r you. The yearbook is a way to remem- er the things that happened during your ojourn, or short stay, at Norton High chool.

Valerie Dotolo
Editor-in-Chief

The yearbook staff is constantly trying to create a different outlook for each year, not only because it would be really boring if they didn't, but because each year is a new experience for all of us. Each year the staff members spend countless hours trying to design a special theme, or think of that perfect caption, or even hunt you down in the halls trying to take your picture. It's a lot of work but someone has got to do it.

**NHS Teacher Wins National Award**

This year one of Norton High School's very own, Mr. Peter Leddy, received the NTA Foundation Award for Teaching Excellence. He was chosen along with just thirty-three others from across the nation. He said that receiving this award was a humbling experience. "I am not the best teacher, but I'm just working hard and doing my best." Teaching for more than thirty years, Mr. Leddy has influenced every one of his students in many ways. His favorite part of teaching "is being in the classroom because it's still exciting to this day. Many teachers focus too much on the paper work and discipline when they should focus on teaching as a profession. It's definitely more than a job."

Peer Mediation is a method for negotiating disputes and finding resolutions that combines the needs of parties in conflict. It is a way for students to voluntarily deal with differences without coercion. Peer mediation works well to resolve conflict in schools because through it students gain power and learn responsibility. Students trained as mediators must remain neutral as they follow a prescribed procedure for mediation.

# Peer Leaders

The Peer Leaders are involved in helping our community through various activities during the school year. Members worked to restock Norton's Cupboard of Kindness Food Pantry at Christmas and are involved in promoting a safe prom program. *Sooner or later we all discover that the important moments in life are not the advertised ones, not the birthdays, the graduations, the weddings, not the great goals achieved. The real milestones are less prepossessing. They come to the door of memory unannounced, stray dogs that amble in, sniff around a bit and simply never leave. Our lives are measured by these. -* ***Susan B. Anthony.***

# High School Memories

*By: Jenn Holmes*

As we all stand here today,
We think of memories of yesterday.
We think of freshman year —
When our minds were filled with fear and
Everyone was bigger, smarter, and older so
They all gave us the cold shoulder
Then we were sophomores —
Less scared than we were before
We were older than the freshmen,
But still only in grade ten.
Then we became juniors —
This time we were very mature and
We knew that school was almost done.
Now we are in our last year,
We're seniors —
In the most important year of our lives
Counting down the days until graduation arrives.
We have our senior write-ups,
And our senior pics, which are close-ups;
We have the senior prom, beautiful as can be
With Cinderella gowns for the world to see;
We have senior release day,
Which is in the end of May;
Then our graduation day in June
We know it's coming soon.
But when we're there on the stage
The rest of our life starts on a new page.
We will cherish all the memories we've had —
All the good ones and the bad.
Graduation day will be full of tears,
For we're saying goodbye to our teachers and friends.
We're letting go of tight ends.
We say goodbye to our friendly unions,
And wait to meet again at our ten-year reunion.
Congrats to the class of 2005 —
Today's the first day of the rest of our lives.

Kelsey Klenk measures a year by all of her accomplishments. She says forget about the downfalls because a year goes by faster when you think of all the great things you have done.
